

Sistah IMiNAH

Sistah IMiNAH brings forth an electrifying & enchanting musical experience-full of life's lessons and blessings. She is an Edutainer (Singer/Songwriter,Dancer & Educator) hailing from Oakland, CA.

Sistah IMiNAH's musical message reflects the duality of living life immersed in African culture, while surrounded by the daily reality of ghetto culture. As a teen she became disillusioned with the experience of life as a Black woman in America. She soon entered the underworld's fast lane, where many around her crashed & burned. After surviving a barrage of hellish & near death experiences , Sistah IMiNAH embarked on an intense journey of healing and transformation "From Ghetto to Goddess". She melodiously shares jewels gleaned from this journey with her brand of " born-Again African Soul".

The messages in Sistah IMiNAH's music are also reinforced by the programs, lectures, workshops and consulting she provides to schools, colleges & organizations globally. Her goal is to activate the achievement & inspire the excellence that is our legacy and destiny. From Ghetto to Goddess.

"In a breathtaking performance, Sistah Iminah wowed the crowd with African song & dance - woven into a mesmerizing introduction to the African spiritual traditions that are becoming embedded in Black lives here."
